**Liberty individuals, staff along with members of the Amsterdam American Legion come together to raise funds aimed at flying veterans to Washington D.C.**

### **Liberty Motorcycle Mural to Raise Funds for Veterans**

**Amsterdam-** Liberty artists presented a motorcycle inspired mural to members of the Amsterdam American Legion Post on Friday. Fifteen members of the Legion roared up to Liberty's Day support building on their motorcycles, as part of their "rolling thunder" group.

The piece of artwork will be placed on sale by the Legion in order to raise money for their "Freedom Honor Flights for Veterans" program. This program provides funds for flights to help take veterans, of all wars, down to Washington D.C. to visit the monuments that mark their service to our country. Liberty wanted to support the program, which runs solely through donations, at the same time honor those who've made this sacrifice.

Founded in 1957, Liberty is a not-for-profit organization serving over 600 individuals with developmental and other disabilities. Liberty offers vocational, day and family support and residential services in Montgomery County.
