O'Brien to Head Liberty's IT Department

Amsterdam- Tim O'Brien Jr. was recently appointed to the position of Director of IT at Liberty. In this position he will be responsible for maintaining Liberty's network infrastructure, which includes the Liberty business offices and Day Support building in the Amsterdam area, approximately 55 residential homes, Day Support sites in the Canajoharie/Ft. Plain areas, New Dimensions in Health Care facility and Liberty's two out-of-state entities; Priority Care and CCL Delaware.

O'Brien has more than 12 years of experience working in and managing enterprise level infrastructure and IT departments. Most recently, O'Brien acted as Network Systems Administration Manager for locally based Hill & Markes, Inc. where he was responsible for managing all IT operations and was key in moving the company's entire infrastructure to a new building. He also comes with extensive IT experience from Amsterdam Printing. O'Brien was responsible for project management of all IT initiatives, such as overseeing the administration and maintenance of the company's infrastructure and management of network and programming staff.

"I'm very excited to join the Liberty organization because they serve the community I'm passionate about," said O'Brien. "I know that through technology we can continue to grow and provide quality care and opportunities to the individuals we support."

"Liberty is fortunate to have Tim as part of our team," said Mike Decker Liberty CEO. "Tim comes to us with a vast knowledge of information technology and many years of experience. We're very happy to have Tim as part of the Liberty team."

O'Brien attended Fulton Montgomery Community College and has earned several IT related certifications. O'Brien lives in Amsterdam with his wife Marlaina and daughter Calli.

Founded in 1957, Liberty is a not-for-profit organization serving over 600 individuals with developmental and other disabilities. Liberty offers vocational, day and family support and residential services in Montgomery County. The organization also operates New Dimensions in Health Care, providing dental and medical services at 40 Wall Street. In 2004, the agency began operating day and residential supports in the State of Delaware as Choices for Community Living, Inc.
