**Liberty Artists Unveil Paintings to be Hung on FM's Campus**

Johnstown, NY - Individuals from "Liberty Through the Arts Program" presented FM President Dr. Dustin Swanger with artwork created for the campus. The pieces are a mix of various styles and inspirations.

"It is evident that the individuals in Liberty's Art Program are very talented," said Dr. Swanger. "The College is pleased to accept these pieces and will proudly display them throughout the campus for all to enjoy."

The artwork represents the latest collaboration between FM and Liberty. In fall 2011, FM set aside land for the creation of a Community Garden which will be planted and tended by individuals in Liberty's Day Programs along with FM volunteers this coming spring. All produce from the garden will be donated to local organizations supporting families in need.
