### **About Liberty ARC**

Liberty ARC, the Montgomery County Chapter of The Arc New York, was founded in 1957 by parents of children with developmental disabilities who wished to establish special education programs in the local community. For more than 60 years, the organization has provided the area with top-quality supports and has grown to include vocational, recreational, residential, day, family support and health-related services to nearly 580 individuals with physical, developmental and other disabilities.
